The GES, platform bridges traditional market and decentralized finance (Defi). Providing investors with a unique opportunity to Capitalize on high demand commodities while leveraging the advantages of blockchain technology.

CEO's Words

I am Mr. Steven Luke. A seasoned entrepreneur with over a decade of experience in gold and mineral resource management. After a successful year with a Trade Network, I transitioned in 2025 to explore blockchain and cryptocurrency. My goal is to launch a revolutionary cryptocurrency, build a proprietary block chain and establish a global exchange with expertise in traditional industries and a vision for the decentralized future.

WHAT IS FOREX?

When you Exchange your Currency to Buy any other Currency, Such as Dollar, Euro, Pounds. That Is Called Forex Exchange.

NOTE- If we are dealing in currency pairs & taking EUR USD pair for trading. If we are going for EUR USD buy then We are Buying EURO & Selling US Dollar If we are going for EUR USD sell then We are Selling EURO & Buying US Dollar
